Re: PM 1335
Electrically-Powered Linear Heating Element

Dear Jeff:

Confirming our telecon on December 5, 1991, please proceed with the immediate filing of a continuation in the above-identified application.

The claims of the application are being amended to delete the term "linear".

Please also submit a supplemental preliminary amendment which submits a method claim of the nature enclosed. Please do revise the method claim as appropriate. The method claim is derived substantially from claim 1 of the original application as filed. Parenthesis enclose language whose inclusion or deletion deserve your attention.

Please also consider the relationship of the enclosed claim with those of PM 1337 and 1345 and other Beta applications.

Thank you for your attention to this matter.

Sincerely,

Charles E. B. Glenn
